In accordance with 37 C.F.R. §§1.56, 1.97 and 1.98, Applicant wishes to make of record the items listed on the accompanying Form PTO-1449. Applicant respectfully requests the Examiner to fully consider the items and independently ascertain their teaching before issuance of the next action, and to make them of record in the file. The Examiner is also requested to initial and return a copy of the enclosed Form PTO-1449 to evidence such consideration.

The references listed on the enclosed Form 1449 are references that have come to light in applications listed in the Information Disclosure Statement of November-December 2000. However, in an abundance of caution, Applicant requests that they be considered.

A number of the references on this Form 1449 were cited with a previous IDS filed in November 2000. Because no initialed copy of this 1449 was provided, applicant provides these same references on this IDS.
